

North Star Therapy Collective Job Posting 6/2024

Clinician / Therapist for group practice in Portland, Oregon

**PLEASE FOLLOW THE SPECIFIC INSTRUCTIONS BELOW IN ORDER TO APPLY:**

---

North Star Therapy Collective is looking to add a part-time and/or full-time Licensed Professional Counselor (LPC), Licensed Psychologist, Licensed Clinical Social Worker (LCSW) or Licensed Marriage and Family Therapist (LMFT) to its growing team of dedicated counselors in Portland, Oregon.

This is an incredible opportunity for a clinician looking to work with a team of knowledgeable, kind and committed colleagues. Our aim is to support women, trans and non-binary people in bringing their whole, full, authentic selves to the world. We work to create a supportive, collaborative and fun environment allowing our clinical team to focus on holding space for our clients.

The licensed therapist will provide counseling to a wide variety of motivated clients in individual, couples, family and group counseling.

This position requires you to work independently, operating from North Star Therapy Collective's established policies and procedures, in compliance with legal and ethical standards and in accord with the State of Oregon Professional Licensing Board and the American Psychological Association.

To get a better understanding of who we are, what we do, and who we serve you may visit our website: [www.northstartherapycollective.com](http://www.northstartherapycollective.com)

Please note at this time we are offering in-person and teletherapy to our clients. We have a single office space available that is shared with other staff. Use of the office space is subject to availability. Depending on desired caseload numbers, candidates should be willing and available to work from home providing telehealth therapy to clients.

**Qualifications:**
